How to Create an Account

The Department of Developmental Disabilities (DODD) supports our provider application database on their server. Using the steps below you may begin creating your provider application for the Ohio Department of Aging using the following link here: [OH|ID](#).

Please note: For best experience of creating an account it is recommended to use a personal computer (PC).

1. Select **Create New Account**. You should be driven to the screen on the next page.

The screenshot shows the OH|ID portal interface. At the top is a blue header with the OH|ID logo and a user icon. The main content area is split into two columns. The left column features a large padlock icon with a fingerprint overlay and the text: "Please login to access the Ohio ID Portal using your OH|ID Account. Please click the link below to create your OH|ID Account in a few simple steps. [Create New Account >](#)". The right column contains the login form with fields for "Username:" and "Password:" (with a toggle for visibility), a blue "Log In" button, and links for "Forgot username/password?" and "Problems logging in?". A footer note states: "State of Ohio computer systems may be accessed and used only for official state business by authorized personnel. Unauthorized access or use of these computer systems may subject violators to criminal, civil, and/or administrative action."
