Purpose

Age and disability alone do not indicate a lack of capacity. An older person or one with a disability may very well be able to make decisions without assistance. In some circumstances this is not so, and questions of capacity and guardianship are paramount.

This workshop will address myths about guardianship and provide participants with insight on how capacity is evaluated to determine what is most appropriate for vulnerable adults.

IMPORTANT INFORMATION:

Room temperatures can be difficult to control; dressing in layers adaptable to warm and cool temperatures is recommended.

A map and directions are included in this brochure. For events at the COAAA Long Street facility, you must pay to park; there is **no free** parking downtown. The COAAA is not responsible for fees or fines.

The COAAA does not discriminate on the basis of race, color, sex, religion, sexual orientation, national origin, age or disability. If you need special accommodations due to a disability, please indicate so on the registration form.

Objectives

At the conclusion of this workshop, participants will be able to:

- Distinguish between decision-making capacity & competency.
- Discuss the criteria physicians use to determine capacity.
- Identify misconceptions about guardianship.
- Identify the least restrictive & most appropriate alternatives for vulnerable adults.

REGISTRATION FEE: \$55.00

The registration fee includes coffee, tea and handouts. Lunch is not included.

Late Registration: \$65.00 (after 6/3/10)

A refund will be made only for cancellations received 5 work days prior to the event. If less than 5 days, a credit can be issued for use at another program within the next year. If notice of cancellation is not received before the date of the program, no credit can be issued.

Any checks returned will be subject to a \$15 bad check fee by the City of Columbus.
