DRIVE: Transporting Older & Disabled Passengers

GOAL

Participants will develop a sensitivity to the transportation needs of older passengers and passengers with disabilities, as well as demonstrate correct passenger assistance techniques.

SPEAKER

Paula Taliaferro, MGS, LSW is a part-time Outreach Specialist with COAAA who has presented over 450 workshops related to aging issues since 1996. She has worked in the field of aging since 1977 in institutional and community-based settings.

CONTENT

- Driver responsibilities regarding passenger safety, comfort, and well being
- Common myths and stereotypes about aging
- Characteristics of common impairments including: vision loss, hearing loss, stroke recovery, respiratory limitations and dementia
- Techniques for maximizing passenger comfort and safety in the presence of common impairments and diseases
- Correct wheelchair use
- Two techniques to assist passengers to stand from a sitting position
- Hydraulic lift and wheelchair securement rules and regulations (includes power chairs and scooters)

The curriculum fulfills transportation quality assurance standards for Older Americans Act services in Ohio and Ohio's PASSPORT Medicaid waiver program.

NOTE: Training assumes that participants have **no** previous experience transporting older and/or disabled passengers.

REQUIRED FOR TRAINING

- A basic level of proficiency in English (both reading & spoken comprehension)
- Closed toe, flat shoes (no more than a one inch heel). No flip flops or sandals.
