Take Note:

- The monthly PIPP amount paid by the customer covers only a portion of the total monthly utility bill. The balance of each month's bill is referred to as an "arrearage."

- Monthly arrearages add up and MUST BE PAID if the customer leaves PIPP for any reason. The information on Graduate PIPP in the next section explains how the arrearages can be paid over 12 months.

- Remember, if the monthly PIPP amount is paid in full and on-time each month, the arrearage is reduced by 1/24th each month.

- Be sure PIPP Plus is right for you! In some cases, a utility customer may qualify for PIPP Plus but not need it. For some customers, the monthly PIPP amount (5% or 10% of income) is actually higher than their typical monthly utility bill. PIPP Plus is only helpful if your monthly utility bills are typically higher than the PIPP Plus payment amount.

Graduate PIPP (Percentage of Income Plan) Plus

A 14-month payment plan that helps customers pay off the PIPP Plus Arrearage if they become ineligible for the program or voluntarily leave the program.

Graduate PIPP Plus helps customers who still have utility service transition to a regular payment. Monthly payments are the average of the most recent PIPP Payment and a budget payment established by the utility. Customers who make 12 Graduate PIPP Plus payments on time will eliminate their entire balance.

How to Apply:

- Contact the Community Action Agency in your county (see list on page 13-14)
- Franklin County residents contact IMPACT at 866-747-1038 or Breathing Association at 614-457-4570 to schedule an appointment
- Franklin County residents contact the Breathing Association to schedule an appointment at 614-457-4570.
- Online: Vist the Ohio Department of Job and Family Services website

Post PIPP Plus

A 12-month plan for former PIPP customers with outstanding arrearages who are no longer receiving service through the utility, and who are current with their PIPP payments

Customers pay 1/60 of the final balance for 12 months. Each month 1/12 of the arrearage is forgiven. Customers have 12 months from the date utility service is discontinued to earn Post PIPP credits. Call the utility as soon as possible once service is discontinued to earn the maximum Post PIPP credits.
