## **Food Assistance Programs**

### **Mid Ohio Food Cooperative**

**614-277-3663 and [www.mofc.org](http://www.mofc.org)**

The largest food bank in Ohio works with more than 600 local charities and programs to help neighbors in 20 counties find fresh, healthy food when and where they need it. Programs include: Food Pantries(many locations), Fresh Food Service(many locations), Farm space for growing fresh foods, Farmacy for acquiring needed medicine, Pantry shops for choosing food(many locations), and supportive services for applying for food and other benefits.

### **SNAP(Supplemental Nutrition Assistance Program)**

This program is the new name for the Federal Food Stamp Program. SNAP helps people with little or no income buy all sorts of food including fruits and vegetables. To receive benefits, your income and resources need to be under certain limits. People with lower incomes and bigger households receive more benefits in the form of a debit card which is loaded each month and can be used at any provider who accepts it(which is most food stores). To apply for SNAP contact your County Department of Job and Family Services or access their website (see p.12) or contact the Mid Ohio Food Collective to access the Outreach Team for Assistance(see above).

### **Commodity Supplemental Food Program**

A federal program that provides eligible seniors with a MONTHLY box of shelf-stable items. Examples of items distributed in the box: cheese, juice, cereal, pasta, peanut butter and canned goods. You must be at least 60 years of age, have a household gross income of 130% of the federal poverty guidelines, and reside in the county in which you apply. You may only participate with one agency. Contact the Mid Ohio Food Cooperative 614-277-3663) or the Salvation Army (p.11 ) to apply.

### **Senior Farmers Market Program s(SFMNP)**

SFMNP redemption runs until November 30th, 2025. SFMNP-eligible foods are locally grown fruits, vegetables, fresh-cut herbs, and raw honey. Availability varies according to growing conditions, the time of year, and your location. To apply, contact the COAAA at 614-645-7250([www.coaaa.org](http://www.coaaa.org)) or one of its community partner agencies which are listed on the inside cover of this booklet.

**Take Note!** The monthly PIPP amount paid by the customer covers only a portion of the total monthly utility bill. The balance of each month's bill is referred to as an "arrearage." Monthly arrearages add up and MUST BE PAID if the customer leaves PIPP for any reason. The information on Graduate PIPP in the next section explains how the arrearages can be paid over 12 months.

**REMEMBER, if the monthly PIPP amount is paid in full and on-time each month, the arrearage is reduced by 1/24<sup>th</sup> each month.**

**Be sure PIPP Plus is right for you!** In some cases, a utility customer may qualify for PIPP Plus but not need it. For some customers, the monthly PIPP amount (6% or 10% of income) is actually higher than their typical monthly utility bill. PIPP Plus is only helpful if your monthly utility bills are typically higher than the PIPP Plus payment amount.
