

The 2027 Senior Calendar

Each year, the Central Ohio Area Agency on Aging (COAAA) presents the Senior Calendar as a showcase for the creativity and photographic skills of Central Ohioans age 50 and older, with each month featuring a winning photograph from the Calendar Photo Contest.

Senior and community centers play an integral role in keeping older adults connected with their communities, from encouraging active, healthy lifestyles to building new relationships.

A total of 10,000 FREE calendars will be printed. Calendars will be distributed to more than 50 central Ohio senior/community centers, and calendars are distributed through COAAA.

Partner with the Central Ohio Area Agency on Aging and reach your target market as a Prime Advertiser of the 2027 Senior Calendar!
