- 65 and older
- Any age & on Social Security Disability payments for 24 months
- Diagnosed with End Stage Renal Disease (ESRD) or ALS (Lou Gehrig’s Disease)

---

**Medicare**
- Insurance program
- Serves mostly people over 65 regardless of Income
- Participants pay part of costs
- Federal program—same across the US
- Enrollment through the Social Security office and specific information on [www.socialsecurity.gov](http://www.socialsecurity.gov)

**Medicaid**
- Assistance program
- Serves low-income people of any age
- Participants in the past have paid no part of costs in Ohio
- Federal/State program—services vary from state to state
- Information through the Ohio Dept. of Medicaid [www.medicaid.ohio.gov](http://www.medicaid.ohio.gov)

---

**Applying for Medicare**

- **Apply** with Social Security during a 7 month Initial Enrollment Period (IEP): which is the 3 months before you turn age 65, the month you are 65, and the 3 months after you turn 65. **Everyone on Medicare received a new card with a unique number—not their Social Security number in 2018.**

- **Medicare Will Enroll You Automatically If:**
  - You have been receiving Social Security Disability Benefits for 24 consecutive months before reaching age 65.
  - You have been collecting early Social Security retirement payments (Medicare is not available for early retirees until they reach age 65).

- **If you do not sign up for Medicare (either Parts A or B)** because you are covered under a group health plan based on your or your spouse’s current employment: You have an 8-month period that begins the month after the employment ends or the group health plan coverage ends (whichever happens first) to sign up without having to pay a penalty. Check with your current health plan to determine your options.
### Medicare Part A Covers:

- **Hospital Care**
  - After initial deductible of $1556, pays 100% for next 60 days of care
  - After 60 days out of the hospital, deductible is due again if admitted to the hospital
  - Pays the hospital a set amount for a diagnosis regardless of the time there
- **Limited number of days in post-hospital skilled nursing home care (also called sub-acute or rehab care)**
- **Skilled home health care services**
- **Hospice care (terminal diagnosis of 6 months or less)**

*No monthly premium—coverage is automatic for most if eligible for and enrolled in Medicare*

### Medicare Part B Covers:

- **Doctor’s bills**
- **Some outpatient treatments**
- **Some skilled home health care (100% instead of 80%)**
- **Durable medical equipment**
- **Some rehabilitative therapies**
- **Some laboratory procedures (100% instead of 80%)**
- **Some mental health services (80%)**
- **Some preventative care**

- **Voluntary to join, monthly premium is taken from Social Security check**
- **If choose not to join, pay a penalty if choose to join later unless have existing “creditable” coverage (penalty is 10% for every 12 month period of delay)**
- **If choose not to join, must wait until an open enrollment period to join (January 1-March 31 with coverage beginning July 1).**
- **Premium is $170.10 a month for most enrollees (may be higher if income is greater than $85,000).**
- **Pays 80% of bills after yearly $233 deductible**

### What Medicare Does Not Cover:

- Most dental care, eye care, and hearing aids
- Intermediate and protective level of care in nursing homes and home care
- Care in assisted living facilities & adult day health services
- Homemaker, chore and meal services in the home
- Non- traditional therapies (except some chiropractic)
- Transportation services outside emergencies

Medicare Advantage Plans (Part C)

❖ Expanded and better benefits than in the past.
❖ Many offer set co-pays and deductibles as well as some expanded coverage (eyes, teeth, gym memberships).
❖ Usually includes prescription coverage. No need for an extra Part D Plan.
❖ Most cover a specific geographic area, i.e., county.
❖ Must go to plans’ providers to receive coverage outside of emergency care.
❖ No need for Medsup policy; however, if a person drops their policy to enroll in a Medicare Advantage Plan, he/she may pick it back up—ONCE—if they later drop the Medicare Advantage Plan.
❖ Open Enrollment Period for Advantage Plans is extended to January 1-March 31, 2022. After that, a person must keep a plan until the next open enrollment period (Oct. 15-Dec. 7) unless a person moves or is involuntarily dropped.

Preventive Services & Screenings

❖ One-time "Welcome to Medicare" exam
❖ Yearly physical
❖ Abdominal aortic aneurysm screening
❖ Bone mass screening
❖ Cardiovascular disease screening & counseling
❖ Colorectal cancer screening
❖ Diabetes screening & supplies
❖ Pneumonia vaccines
❖ EKG Tests
❖ Flu Shots
❖ Glaucoma tests
❖ Hepatitis B shots
❖ Mammograms
❖ Pap test
❖ Prostate screenings
❖ Smoking cessation & counseling
❖ Depression screening
❖ Obesity screening & counseling

Supplemental Medicare Insurance

❖ Sometimes called Medigap or Medsup
❖ Regulated and standardized
❖ Choice of 8 policy types: A,B,D,G,K,L,M,N
❖ Coverage is the same in each type
❖ Medicare beneficiary should only have one.
❖ Initial 6 month open enrollment after age 65 and enrolled in Part B—after that period, the plans can turn down people for any reason or choose not to cover pre-existing health conditions.
❖ Once a person is enrolled, cannot be canceled involuntarily no matter how sick or expensive they are to the plan.
❖ Very different from long-term care insurance
❖ See Buyers Guides published for free by the Ohio Dept. of Insurance for more information.
Medicare Prescription Drug Coverage (Part D)

❖ Available for all people with Medicare
❖ Covers outpatient medication both name brand and generic.
❖ Have both statewide or national plans
❖ Every Medicare beneficiary should enroll in one unless he/she already has coverage through an employer or retiree plan.
❖ There is a penalty for not enrolling which is 1% of the premium for each month you delay.
❖ Need to check your plan each fall in the Open Enrollment Period (October 15-Dec.7) and decide to stay in your plan or change plans.

Medicare’s Standard Drug Plan—2022 Components

❖ All plans have a different cost structure including premiums
❖ Monthly premium (average of about $35 per month, can vary by plan)
❖ A deductible from $0-$480
❖ After meeting the deductible, you pay 25% of name brand prescriptions and your plan pays 75%
❖ Catastrophic coverage pays 95% when your total drug costs reach $10,690.20
❖ Note: Out of pocket expenses do not include monthly premium or other coverage you may have.

What Drugs Does a Part D Plan Help to Cover?

❖ A Plan’s list of covered drugs (called a formulary) is different for each plan
❖ Plans place their drugs into different “tiers” on their formularies
❖ Drugs in each tier have a different cost
❖ Plans may require: prior authorization, quantity limits or step therapy
❖ If you or your doctor believe that one of these coverage rules should be waived, you can ask for an exception
Medicare Savings Programs:
What Are They?

❖ Qualified Medicare Beneficiary (QMB) pays Part B premiums, deductibles and any co-insurance
❖ Specified Low Income Medicare Beneficiary (SLMB) pays Part B premiums
❖ Qualified Individual (QI) pays Part B premiums
❖ All of these qualify a person for extra help with prescription drug coverage (Part D)
❖ Apply for these with Ohio Department of Job and Family Services or Ohio Dept. of Medicaid. www.medicaid.ohio.gov

Medicare Part D Extra Help for People with Limited Income & Resources

❖ You may qualify for a Limited Income Subsidy (LIS) from Medicare which gives you extra help to pay prescription drug costs if your yearly income & resources are below the following limits for 2022:
❖ Income:
  o Below 150% of Federal Poverty Level:
    ➢ $1,719 a month for an individual
